REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 35, 37, and 39-43 is the inclusion of a shutter member for opening and closing the discharging opening of a developer supply container by rotation thereof; and the shutter member has a plurality of communicating portions for fluid communication with the discharging opening. This is found in all of claims 35, 37, and 39-43, but not disclosed nor suggested by the prior art of record..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan S. Lee whose telephone number is 571-272-2137. The examiner can normally be reached on Mon. - Fri., 10:30-8:00, Second Monday Off.
